## **Yellowood Nutrition & Wellness 2009 Summer Workshop**

- ▶ Tips for preventing side effects.
- ▶ Natural health strategies for vaccinated and unvaccinated infants and children.
- ▶ Suggested homeopathic childhood remedies for vaccinated and unvaccinated infants and children.
- ▶ Learn about nutritional supports such as whole-foods, probiotics and fish oils to protect your child.
- ▶ Vaccination support and the role of homeopathy in developing the immune system.

Please call or email for more information!

### **WHAT PARTICIPANTS ARE SAYING:**

*"The workshop was very informative. We learned a lot. I really liked your approach of doing what makes you comfortable with respect to vaccines. Take care, Tina Darrigan CGA"*

Pre-registration for this workshop is required. To register for this workshop please mail a cheque or contact our office for credit card transactions. You can mail registrations to Yellowood Nutrition & Wellness [www.yellowood.ca](http://www.yellowood.ca). All registrations must be received no later than August 29, 2009.
